RETURN RECEIPT REQUESTED

Mr. James Kelley
Chemical Lime Company
P.O. Box 121874
Fort Worth, TX 76121

Dear Mr. Kelley:

On February 23, 1995, we requested that Chemical Lime Company reclaim a number of access roads, bulk sampling sites, drill holes, drill pads, and other miscellaneous scrapes and cuts located in T. 3 N., R. 9 W., Sections 5, 8, and 17 (case file U27-91-04N). The "dirt work" portion of the reclamation was completed by Kirk Matthews on November 6, 1995, and was found to be satisfactory. A recent inspection of the area indicates that revegetation of the sites has been completed, and the sites require no further reclamation. We are therefore closing the subject case file.

If you have any questions or require additional information, please feel free to contact Michael Ford of my staff at (801) 977-4360.

Sincerely,

/s/ Margaret Wyatt
